Application Support Material – Exhibition Review

Please provide a 300 word review of a curated art exhibition of living artists together with your New Student Application Form. The purpose of the review is to provide the interview panel with evidence of your capacity to write about art, given it is an essential skill for practising artists and that written assessments are integral to the School's program.

A curated art exhibition may include the work of one living artist or be a group show of living artists. Exhibitions organised by a curator will consist of works selected in reference to a certain theme or topic. The works of art may or may not be for sale.

The exhibition may be in a gallery such as the Adelaide Central Gallery, Flinders University Art Museum, ACE Open, Samstag Museum or the Art Gallery of South Australia. There are also artist-run spaces that hold curated exhibitions of living artists, including Fontanelle and Feltspace.

After viewing the curated art exhibition of living artists, please write a brief response of what you have seen. Use one or more of the following as a guide to your responses:

- What range of subjects, ideas or themes do the works address?
- Comment on the use of materials and how they relate to the chosen subjects or themes.
- Choose one work and explain what it communicates to you.

Please include some documentation from the exhibition such as a flyer, invitation or floor list.
