The 2014 Pro Hart Visual Art Scholarship for Year 12 Students*

The Pro Hart Scholarship has been established to encourage outstanding senior secondary art students to enrol in the first year of the accredited Bachelor of Visual Art at the Adelaide Central School of Art. The scholarship is for one year of full time study. A review of the student’s progress is conducted for all scholarship holders at the end of each semester (see below under Conditions).

The successful applicant will be notified in January so that they may take up their scholarship at the start of the first semester in February 2014.

*Who may apply for a scholarship?
Application is open to persons who have completed their secondary school studies within the last five years and who have been enrolled in at least four years of continuous secondary studies.

How do I apply?
Application must be made on the standard form attached. Further copies are available from the School. The application form must be submitted together with a portfolio (see below under Portfolio) of most recent work by 5pm on Monday 6 January 2014.

Criteria
The scholarships will be awarded on the basis of relative merit, having regard to the artistic potential of applicants. A Selection Panel will judge applications with reference to the following criteria:

- artistic merit demonstrated by a portfolio of most recent work; and
- career aspirations in fine art and likely success in completing the Bachelor program - assessed on the basis of a student’s overall achievement including academic achievement in secondary school.

Scholarship Value
The Pro Hart Scholarship will be awarded for the first year of full time study at the School. The maximum value will be the cost of full time tuition for one year ($18,000 in 2013).

Recipients will not receive cash payments.
The Selection Panel

Chief Executive Officer of ACSA or nominee
2 members of the lecturing staff
1 external member of the Board of Governors or the Academic Board

The Selection Process

Following the close of applications on 6 January 2014, the Panel will either select the successful applicant or make a short list of applicants for interviews. Shortlisted applicants will be invited to bring in original work and folios to the interview which will be held at the School early January 2014. Following the interviews, the Panel will determine the successful applicant. If the applications are judged not to be of sufficient merit the Panel may decide that no scholarship will be awarded for the year and it may decide not to short list applicants. The award of the Scholarship is at the discretion of the Panel and its determination will be final.

Conditions

The Pro Hart Scholarship may not be deferred.

A student who withdraws or who is excluded from study will forfeit the scholarship except where the School accepts that there are extenuating circumstances and agrees to continue the scholarship.

A scholarship holder must apply to the School for permission to interrupt his/her studies. The School may allow a student to interrupt the studies and to continue the scholarship, but subject to conditions set by the School.

A scholarship holder’s progress will be reviewed at the end of each semester by the Academic Committee and the scholarship may be terminated if progress is unsatisfactory.

Satisfactory progress is defined as:

1. Academic performance: credit point average across the course.
2. Professional Conduct: as deemed appropriate according to the ACSA Undergraduate Student Handbook.

Applications

Applications must be made on the prescribed form and must be submitted with the portfolio and SACE results by 5pm on Monday 6 January 2014. Late applications will not be accepted.

Portfolio

The portfolio of images of recent work must be presented in Powerpoint on a USB/CD and comprise between 6 and 9 images of recent work. Actual artworks will not be accepted.

Works must be clearly photographed and presented at high resolution. Please include information about the artwork presented (including title, dimensions, medium and year made). This information can be added in as text in the PowerPoint submitted.

Applicants must collect their applications and USB/CDs from the School between January 27–31 2014. Portfolios will not be returned and will not be kept by the School after 31 January 2014.
