Wish You Were Here! is a fundraising exhibition opportunity to acquire original works of art by over 150 artists. All works are priced at $80 and the identity of each artist will remain anonymous until after purchase. As a not-for-profit organisation, all proceeds from this exhibition directly support the students of the School.

The School is pleased to offer 40 Preview Tickets, enabling you to be in a select group, who will be among the first to purchase works from 4 - 5pm on 25 October prior to the public opening. You will be offered sparkling wine on entry to assist you with your selection. Preview Tickets are now available for purchase, please call 08 8299 7300 to secure your place.
